

# Clinical Key: OpenAthens Login and Account Registration

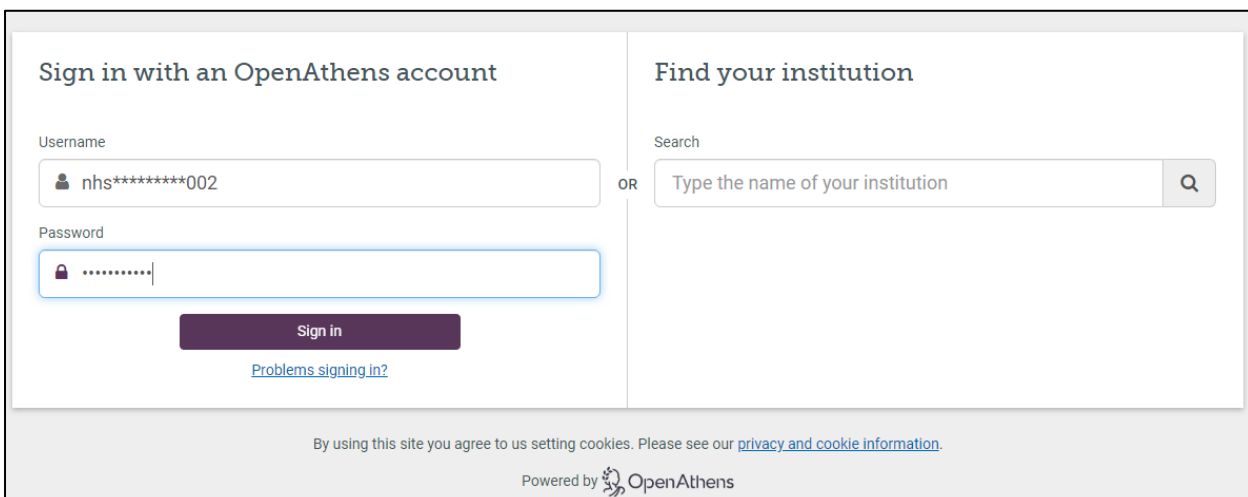

1. Go to the ClinicalKey application at <http://www.clinicalkey.com>
2. Click the Login link, located in the upper right corner of the screen:

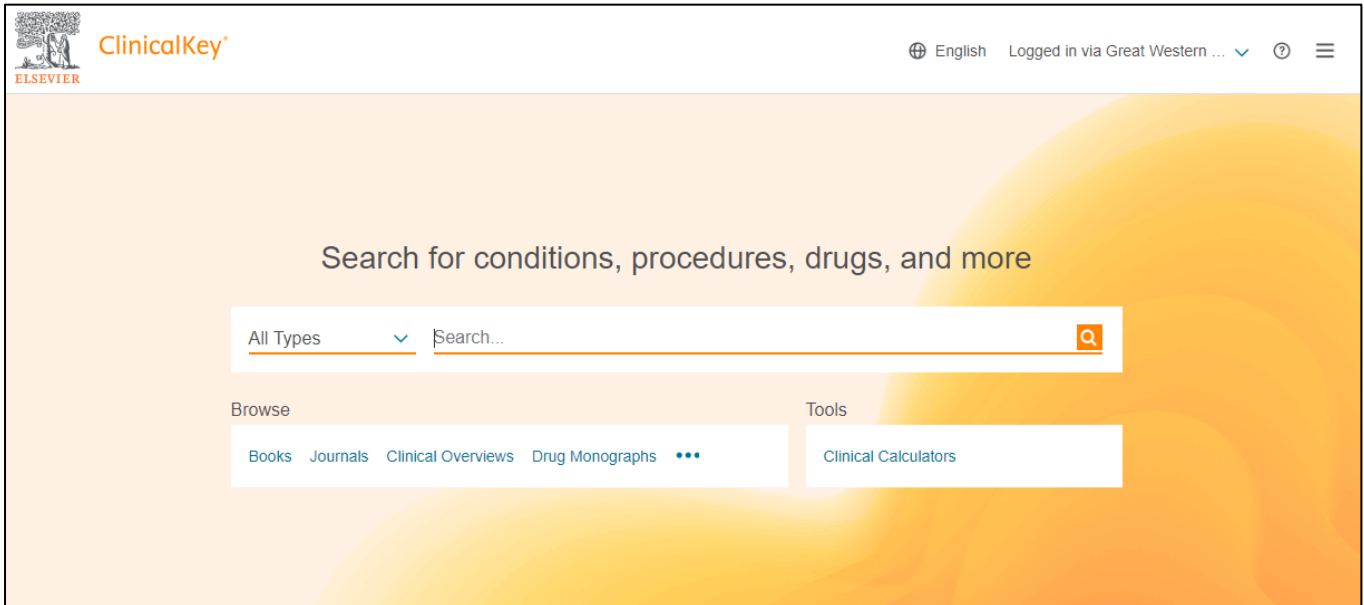

3. Click the OpenAthens login link:

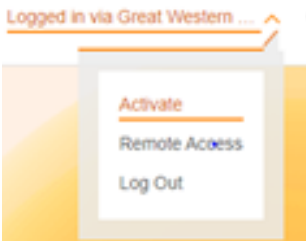

6. Enter your regular OpenAthens Username and Password in the fields provided, and click “Sign in”:

## 7. The Clinical Key home page displays:

## 8. Click the Activate link, located in the upper right corner of the screen:

9. Enter the following information in the fields provided as necessary:

Note: The asterisk (\*) indicates a required field.

**Your details**

First name \*  
Academy

Family name \*  
Library

Email address \*  
gwh.alis@nhs.net

> Additional profile details

I wish to receive information from Elsevier B.V. and its affiliates concerning their products and services

I have read and understood the [Registered User Agreement](#) and agree to be bound by all of its terms. \*

[Register >](#)

Note: The email address entered does not need to match the email address in your OpenAthens profile. Your OpenAthens username and password will continue to be your login credentials.

- “Additional Profile Details” is optional.

10. Enable the checkbox acknowledging that you have read the Registered User Agreement.

11. Click “Register” when done.

You will see a confirmation message and an email will be sent to confirm your registration.

**Registering an account allows you to download the Clinical Key app, giving you instant access wherever you go.**
