Statement of main factors taken into account in making the above declaration

In making the above declaration, the main factors which have been taken into account by the Board of Directors are as follows:

The Trust had received an external audit opinion arising from ongoing deficits and an ongoing requirement for distressed financing. However the Trust is deemed to be a going concern and plans to receive ongoing cash support from the Department of Health and Social Care, together with recompense for incurred covid-19 expenditure. The Trust has agreed a break-even control total for 2020/21 and expects to have the resources to deliver services for the following 12 months.

Signed on behalf of the board of directors, and, in the case of Foundation Trusts, having regard to the views of the governors
